Communication Strategies

Overview

In this course students will understand the different methods of communication and how to make the most of each of them.

Course Objectives

For the better part of every day, we are communicating to and with others. Whether it’s the speech you deliver in the boardroom, the level of attention you give your spouse when they are talking to you, or the look you give the cat, it all means something. This workshop will help participants understand the different methods of communication and how to make the most of each of them.
